

24 HOURS FROM TULSA

Dearest darlin' D
I had to write to say that D
I won't be home anymore E7 A
'Cause something happened to me D
While I was driving home
And I'm not the same anymore E7 A

Oh, I was only 24 hours from Tulsa G Em
Ah, only one day away from your arms G Em
I saw a welcoming light C D
And stopped to rest for the night C D

And that is when I saw her D
As I pulled in outside of a small motel she was there D E7 A
And so I walked up to her D
Asked where I could get something to eat D
And she showed me where D E7 A

Oh, I was only 24 hours from Tulsa
Ah, only one day away from your arms
She took me to the cafe
I asked her if she would stay
She said okay Instrumental

Oh, I was only 24 hours from Tulsa
Ah, only one day away from your arms
The jukebox started to play
And night time turned into day
As we were dancing closely
All of a sudden I lost control as I held her charms
And I caressed her, kissed her
Told her I'd die before I let her out of my arms
Oh, I was only 24 hours from Tulsa
Ah, only one day away from your arms
I hate to do this to you
But I love somebody new
What can I do And I can never, never, never
Go home again
