

A NIGHT LIKE THIS

Dbm | / | / | / | (4 bars)

1

From where you are, Dbm
 you see the smoke start to arise where they play cards Ab
 and you walk over softly moving passed the guards
 ~ The stakes are getting higher you can- feel it - in your heart Dbm

He calls your bluff
 He is the ace you never thought he played that much
 And now it's more than all his cards you want to touch
 you never know if winning this could really be enough

Take a look, beyond the moon you see the stars D#7/#11 Ab7 Dbm
 And when you look around, you know the room by heart D#7/#11 Db

Chorus

I have never dreamed it Db Ab7
Have you ever dreamed a night like this Db
I cannot believe it Ab7
I may never see a night like this Db Ab7
When everything you think is incomplete Ab7
Starts happening when you - are cheek to cheek Db
Could you ever dream that D#7/#11
I have never dreamed, dreamed a night like this Ab7 Dbm (Dbm | / |)

2

How many times,
 have I been waiting by the door to hear these chimes
 To hear that some one debonair has just arrived
 And opened up to see - my world - before my eyes
 That silhouette
 creates an image on the night I can't forget
 It has the scent of something special I can't rest
 ~ If I resist temptation oh I know for sure that I will lose the best

Walk away and suddenly it seems I'm not alone D#7/#11 Ab7 Dbm
 In front of me he stands, I stop, before he goes D#7/#11 Ab7 Db
