

## **A TEENAGER IN LOVE**

Each time we have a quarrel  
It almost breaks my heart  
'Cos I am so afraid  
That we will have to part

### **Chorus**

Each night I ask the stars  
The stars up above  
Why must I be a teenager in love

One day I feel so happy  
Next day I feel so sad  
I guess I'll learn to take  
The good with the bad      **Chorus**

### **Coda**

I cried a tear (I cried a tear)  
For nobody but you (Nobody but you)  
I'll be the lonely one  
If you should say we're through

Well if you want to make me cry  
That won't be so hard to do  
And if you should say goodbye  
I'll still go on loving you

Each night I ask the stars up above (I ask them why)  
Why must I be a teenager in love

Outro - Why must I be a teenager in love X 3 (or fade out)
