

## AIN'T THAT PECULIAR

(Fanny) *Intro Drums X 2 > Riff x 4 > full band X 4*

You do me wrong but still I'm crazy about you **G**  
Stay away too long and I can't do without you **G**  
Every chance you get you seem to hurt me more and more **C**  
But each hurt makes my love much stronger than before **G**  
I know that flowers grow with the rain **D**  
But how can love grow with the pain **C > stop**  
Ain't that peculiar Ain't that peculiar **G riff**

You tell me lies that should be obvious to me **G**  
But I'm so much in love with you baby that I don't want to see **G**  
That the things you do and say, are designed to make me blue **C**  
Now, it's a doggone shame my love for you **G**  
Makes all your lies seem true **G**  
Now, if the truth makes love last longer **D**  
Why do lies make my love stronger **C > stop**  
Ain't that peculiar Ain't that peculiar **G riff**

### **Repeat Intro**

Solo = intro > ah ah ah hey hey on verse

I cried so much just like a child that's lost its toy  
Maybe baby you think these tears I cry are tears of joy  
A child can cry so much until you do everything they say  
But unlike a child, my tears don't help me  
To get my way  
I know love can last through years  
But how can love last through tears  
Ain't that peculiar, a peculiarity      E  
Ain't that peculiar baby, peculiar asking me      E

Say I don't understand it, baby (Ain't that peculiar?)  
It's so strange sometimes (Ain't that peculiar?)  
Ain't it peculiar, darlin' (Ain't that peculiar?)
