ALWAYS LOOK ON THE BRIGHT SIDE OF LIFE

Some things in life are bad Am D#dim

They can really make you mad G E7

Other things just make you swear and curse Am D#dim G6
When you're chewing on life's gristle Am D#dim
Don't grumble give a whistle G E7

Don't grumble, give a whistle G E7 And this'll help things turn out for the best... A7 D7

And...always look on the bright side of life... G Em Am D7 G (Em Am D7) Always look on the light side of life... G Em Am D7 G (Em Am D7)

If life seems jolly rotten Am D7
There's something you've forgotten G Em

And that's to laugh and smile and dance and sing Am D7 G

When you're feeling in the dumps

Am D

Don't be silly chumps

G Em

Just purse your lips and whistle - that's the thing A7 D7

And...always look on the bright side of life...

Always look on the light side of life...

For life is quite absurd And death's the final word You must always face the curtain with a bow. Forget about your sin - give the audience a grin Enjoy it - it's your last chance anyhow.

So always look on the bright side of death Just before you draw your terminal breath

Life's a piece of shit
When you look at it
Life's a laugh and death's a joke, it's true.
You'll see it's all a show
Keep 'em laughing as you go
Just remember that the last laugh is on you.

And always look on the bright side of life...

Always look on the right side of life...

(Come on guys, cheer up!)

Always look on the bright side of life...

Always look on the bright side of life...

(Worse things happen at sea, you know.)

Always look on the bright side of life...

(I mean - what have you got to lose?)

(You know, you come from nothing - you're going back to nothing.

What have you lost? Nothing!)

Always look on the right side of life...
