

## ALWAYS REMEMBER US THIS WAY

### *Intro = vocals*

That Arizona sky, burning in your eyes *Am F*  
You look at me and babe I wanna catch on fire *C G*  
It's buried in my soul, like California gold *Am F*  
You found the light in me that I couldn't find *C G*

### *Chorus*

So when I'm all choked up and I can't find the words *F C*  
Every time we say goodbye baby it hurts *Am Am G (C G)*  
When the sun goes down *F G C*  
And the band won't play *Am G/b C/e*  
**I'll always remember us this way** *F G C ~ drum fill*

Lovers in the night, poets trying to write *Am F*  
We don't know how to rhyme but damn we try *C G*  
But all I really know, you're where I wanna go *Am F*  
The part of me that's you will never die *C G*
