Ch. - **A \ G \ Bm \ D **

Concerning us - Concerning you concerning him
 Never pity the fool - See what's broken
 See the white branches - Seeing what laughs
 What hurts - These last chances

Drink of choice - Swig of love (bass starts here)
 Let's finish first - What we never begun
 Half-again - And half-pretend
 Half for the stars - Save half for the end > riff

Chorus

I won't ever let you go - I won't even try
 Hold this black rope close ~ **TACIT**
 This black rope, won't untie >riff X2

Never as good - As forgettin' to blame
 Nothin' squandered - Surrendered or strayed
 The new and the useless - Switchyard crash
 Faithless train - Last chances - always last

Concerning us - Concerning you
 Concerning him - Never pit' the fool
 See what's broken - Branches snap
 One chance too many - Last chances - always last
