

BEAUTIFUL DISGUISE

I hold you in my arms as the band plays
What are those words whispered baby just as you turn away
I saw you last night out on the edge of town
I wanna read your mind and know just what Ive got in this new thing Ive found
So tell me what I see when I look in your eyes
Is that you baby or just a brilliant disguise

I heard somebody call your name from underneath our willow
I saw something tucked in shame underneath your pillow
Well Ive tried so hard baby but I just can't see
What a woman like you is doing with me
So tell me what I see when I look in your eyes
Is that you baby or just a brilliant disguise

Now look at me baby struggling to do everything right
And then it all falls apart when out go the lights
Im just a lonely pilgrim I walk this world in wealth
I want to know if it's you I don't trust cause I damn sure don't trust
Myself

Now you play the loving woman I'll play the faithful man
But just don't look too close into the palm of my hand
We stood at the alter the gypsy swore our future was right
But come the wee wee hours maybe baby the gypsy lied
So when you look at me you better look hard and look twice
Is that me baby or just a brilliant disguise

Tonight our bed is cold
Im lost in the darkness of our love
God have mercy on the man
Who doubts what he's sure of
