

**CAJUN MOON****CHORUS**

Cajun moon  
Where does your power lie  
As you move  
Across the southern sky  
You took my babe  
Way too soon  
What have you done  
Cajun moon

1

Someday babe  
When you want your man  
And you find him gone  
Just like the wind  
Don't trouble your mind  
Whatever you do  
'Cause Cajun moon  
Took him from you

**REPEAT CHORUS****SOLO**

2

When daylight fades  
The night comes on  
You can hear the silence~~~~  
Of this song  
Don't trouble your mind~~~  
Whatever you do  
'Cause he got me  
Like he got you

**REPEAT CHORUS**
