CAN'T LET GO

Intro on verse (3 chord blues)

Told you, baby, one more time
Don't make me sit all alone and cry
Well it's over - I know it - but I can't let go
I'm like a fish out of water, a cat in a tree
You don't even want to talk to me
Well it's over - I know it - but I can't let go

Chorus
He won't take me back when I come around
Says he's sorry, then he puts me out
I got a big chain around my neck
And I'm broken down like a train wreck
Well it's over - I know it - but I can't let go

See I got a candle and it burns so bright
In my window every night
Well it's over - I know it - but I can't let go
You don't like to see me standing around
Feel like I been shot and didn't fall down
Well it's over - I know it - but I can't let go

Chorus > solo on verse

Turn off the trouble like you turn off a light
Went off and left me, it just ain't right
Well it's over - I know it - but I can't let go
Round every corner something I see
Brings me right back, how it used to be
Well it's over - I know it - but I can't let go

Chorus X 2

It's over - I know it - but I can't let go X3
