

CHROME PLATED HEART E

Intro = E w ships

I got a chrome plated heart	E
I got wings on these fingers trying to tear it apart	E
I got angels crying from up above	A7
And they got rust in their eyes	E
They got rust on their love	
coda	
But I have learned to leave no stone unturned	C#m A2
And keep the wall against my back	C#m A2
And the love is real as the day is long	C#m A2
And the night is black	E7
I got a two dollar spare	E7
Midas in my touch and Delillah in my hair	
I got bad intentions on the soles of my shoes	A7
With this red hot fever and chromium blues	E7
And I will feel another lover's wheel	C#m A2
And drive for miles and not look back	C#m A2
And the love is real as the day is long	C#m A2
And the night is black - As black as night	E7
And I'll dance in time and the times are rough	E D
And I'll pay the price and I'll pray that it's enough	C E
And just outside the door where it always rains	E D
I'll take the time to polish these scratches	C D
and these stains – on my chrome.....	D
(repeat verse 1)	
coda	
And the only way I know where the train will go	C#m A2
Is when I'm sleeping on the tracks	C#m A2
And the love is real as the day is long	C#m A2
And the night is black	E7
And the night is black	
As black as night
