The less I seek my source for some definitive

~ G (intro)

The closer I am to fine.

I went to see the doctor of philosophy

With a poster of Rasputin and a beard down to his knee

He never did marry or see a B-grade movie

He graded my performance, he said he could see through me

I spent four years prostrate to the higher mind, got my paper

And I was free.

I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountain

There's more than one answer to these questions

pointing me in crooked line

The less I seek my source for some definitive

The closer I am to fine.

I stopped by the bar at 3 a.m.

To seek solace in a bottle or possibly a friend
 I woke up with a headache like my head against a board
 Twice as cloudy as I'd been the night before
 I went in seeking clarity.
 I went to the doctor, I went to the mountains
 I looked to the children, I drank from the fountain
 There's more than one answer to these questions
 pointing me in crooked line
 The less I seek my source for some definitive
 The closer I am to fine.
 I went to the doctor, I went to the mountains
 I looked to the children, I drank from the fountain
 There's more than one answer to these questions
 pointing me in crooked line
 The less I seek my source for some definitive
 The closer I am to fine.
 We go to the bible, we go through the workout
 We read up on revival and we stand up for the lookout
 There's more than one answer to these questions
 pointing me in a crooked line
 The less I seek my source for some definitive
 The closer I am to fine
 The closer I am to fine
 The closer I am to fine
