COLD DAY IN HELL

Bass – (C# tacit) - A \\ -   C# \\ - A   -Ab - C# (g#' b' g#' f# e c# - g#~)

So many times,	C#m
you tried to take the best of me	F# C#m //
So many times	C#m
now you're gonna take the rest of me	F#
Better look at what you're doing	E
before it's too late	F#
It's a fine line you're treadin'	G#
between love and hate	F#
There'll be a cold day in hell	E
before I'm coming back to you	F# A C#m (g# b c c#)

So many times
You Tried to play a dead end game
I tried to tell you
But you never want to take the blame
Now you push me to the limit
And I can't take no more
Better take one last look
Before I'm out the door

There'll be a cold day in hell	E
before I'm coming back to you	F# A C#m – 2 bars

BRIDGE

You never listened when I told you	A
that you were way out of line	C#m7
Too busy talkin' to listen,	A
accusing me of telling lies	Eb D D D d c#m

Instrumental on verse   (g# b c c#)

Repeat 1 > too late for sorrow and too late for tears
Take one last look before I disappear
Cold day in hell……. X 3 (last time retardo Ab B C#m)
