

**COME CRYIN' TO ME**BPM 105 - Intro drum beat 4 bars > **Abm Db** riff X4

1

Dragging around	-	The sins of your father	<b>Abm</b> Abm E E
Handed on down	-	From one to another	Abm Abm E E
Spinning new wheels	-	From lover to lover	Abm Abm E E
Afraid to come now	-	From under the covers	Abm Abm E E

**Chorus**

When the world's on your shoulders	<b>B</b> A
And you just feel like hiding	E F#~G
When there's nowhere to run to oh oh	B A
You can come crying	E
Come crying to me	F#~G

**Repeat intro****Abm Db** riff X2

2

You know how to fly	-	On the wings of disaster	Abm Abm E E
You try to stand still	-	But you keep going faster & faster	Abm Abm E E
You thought it'd be easier	-	In California	Abm Abm E E
The tables will turn	-	And they won't even warn you	Abm Abm E E

**Chorus 2**

When the world's on your shoulders	B A
And you just feel like hiding sliding	E G
When there's nowhere to run to oh oh	B A
You can come crying	E
Come crying to me eee.....	G E E

**Bridge**

When the night seems colder	F# F#
But the sun's gonna shine – ine	E E F# F#
I won't leave you behind	Abm Abm Db E
No you won't stay behind	Abm Abm Db E (E)

**Chorus X 4****End on – (slow down) “Come crying to me” hang on G then E~~~~~**
