COMMON DISASTER

A candle burning for everything I've ever wanted
Am
A tattoo burned for everything I've ever wanted and lost
I had a long list of names that I kept in my back pocket,
But I've cut it down to one and your name's at the top
Am

Chorus

Won't you share a common disaster? D C/d Am Share with me a common disaster C/d Bm Am A common disaster X 0 4 4 x x x 0 5 5 x x x 0 2 2 x x

I found myself a friend, But he's crooked as a stick in water So now I'm writing fairy tales To catch the spirit of revenge He's got a plan to steal my little sister, But I'm not too concerned 'cause I will get him in the end

Chorus

Instrumental on verse + 1st line of chorus

Going to find me someone to share A common disaster Run away with me from a life so cramped and dull Not worry too much about the happily-ever-after Just keep the caddy moving 'til we're well beyond that hill

Chorus
