

**DEAR MR FANTASY**

Stevie Winwood - CSN version - E D A E

Dear Mister Fantasy play us a tune  
 Something to make us all happy  
 Do anything; take us out of this gloom  
 Sing a song, play guitar, make it snappy

2

You are the one who can make us all laugh  
 But doing that you break down in tears  
 Please don't be sad, if it was a straight mind you had  
 None of us would have known you all these years

**solo** C#m E C#m E C#m E D A ~

Each time you choose to sing rock & roll blues  
 You take everybody's loneliness with you  
 What do you lose each time you face down a room  
 All of us see our changes through you > Solo on E D A X 4

So sing of the ocean of tears you had to sail  
 Strangers and lovers that took you  
 All of us search and all of us fail  
 In one way we don't ever hear you > Solo on E D A X 4
