Desperado,
 why don't you come to your senses?
 You been out ridin' fences - for so long now
 Oh, you're a hard one
 But I know that you got your reasons
 These things that are pleasin' you
 Can hurt you somehow

Don' you draw the queen of diamonds, boy
 She'll beat you if she's able
 You know the queen of hearts
 is always your best bet
 Now it seems to me, some fine things
 Have been laid upon your table
 But you only want the ones that you can't get

Desperado,
 oh, you ain't gettin' no youger
 Your pain and your hunger,
 they're drivin' you home
 And freedom, oh freedom well,
 that's just some people talkin'
 Your prison is walking through
 this world all alone

Don't your feet get cold in the winter time?
 The sky won't snow and the sun won't shine
 It's hard to tell the night time from the day
 You're loosin' all your highs and lows
 Ain't it funny how the feeling goes away?

Desperado,
 why don't you come to your senses?
 Come down from your fences, open the gate
 It may be rainin', but there's a rainbow above you
 You better let somebody love you,
 (let somebody love you)
 You better let somebody love you,
 before it's too late
