

**DIAMOND IN THE ROUGH**

Riff X 0 5 0 3 0 - X 0 4 0 3 0 - A2

1

As a little girl I came down to the water  
 With a little stone in my hand  
 It would shimmer and sing  
 And we knew everything  
 As a little girl I came down ~

But in a little while I got steeped in authority  
 Heaven only knows what went wrong

There is nothing so cruel than A, B x 2 0 0 3 0, C# x 4 0 0 5 0  
 to bury that jewel x 5 0 0 7 0

It was mine all along  
 I'm gonna find it

**CHORUS**

You're shining I can see you D A  
 You're smiling that's enough D A  
 I'm holding on to you D D/C D/B D/A  
 Like a diamond in the rough

2

Every now and then  
 I can see that I'm getting somewhere  
 Where I have to go is so deep  
 I was angry back then and you  
 know I still am  
 I have lost too much sleep  
 But I'm gonna find it

CHORUS (repeat last line) > Instrumental <  
 Snakes in the grass better step on the gas.....

In my dreams I go down by the water  
 With a little girl in my arms  
 And we shimmer and sing  
 And we know everything, everything  
 In my dreams I go down, I go down...

CHORUS 1<sup>st</sup> last line X2 2<sup>nd</sup> repeat last line X4 > Instrumental <  
 Snakes in the grass better step on the gas..... X ?
