Bm G A Bm G A

Maybe there is another way, of spending most of my time

Bm G A D A F#m (A)Bm

Keeping my head above water, and clinging to the straight line

Bm G A Bm G A

Looks like it never stops pouring down, seems I'll have to make do

Bm G A D A Bm

Cast my fate to the wind and wait, till I can drown my sorrows in you

CHORUS 1

G A Bm G A Bm

I'm not waiting for a promise, no horizon shining in gold

G A F#m G G A Bm

Just a night or two of me and you, bring me in from the cold

G A Bm G A Bm

Some sweet intoxication, from a bottle labeled in blue

G A F#m G G A Gj7/b5

Want to stay until I've drunk my fill Want to drown my sorrows in you

RIFF**VERSE**

Peace and love had its moments now, the rainbow's gone from the sky

I couldn't look when the roots came up, now the tree lies empty and dry

Born in an age of uncertainty, raised to learn every rule

I have my doubts what it's all about, need to drown my sorrows in you

CHORUS 2

Going to break the bottle open, and we'll have a party for two

Drink away the cold let love unfold, wanna drown my sorrows in you

Some sweet intoxication, from a bottle labeled in blue

Want to stay until I've drunk my fill Want to drown my sorrows in you
