Everybody knows that the plague is comin'
Everybody knows that it's moving fast
Everybody knows that the naked man and woman
Are just a shining artifact of the past
Everybody knows that the scene is dead,
But there's gonna be a meter on your bed
That will disclose, What everybody knows

Everybody knows that you're in trouble
Everybody knows what you've been through
From the bloody cross on top of Calvary
To the beach at Malibu
And everybody knows it's coming apart
Take one last look at this sacred heart
Before it blows, And everybody knows

Chorus
