

FEELIN' ALRIGHTc

Seems I got to have a change of scene
 Every night I have the strangest dream
 Imprisoned by the way it could have been
 Left you on my own or so it seemed
 I got to leave before I start to scream
 But someone locked the door and took the keys

CHORUS

You feelin' all right, oh oh
I'm not feelin' too good myself, oh oh
You feelin' all right, oh oh
I'm not feelin' too good myself, oh oh

Boy, you sure took me for one big ride
 And even now I sit and I wonder why
 Then when I think of you, I start myself to cry
 Just can't waste my time, I must get by
 Gotta stop believin' in all your lies
 'Cause there's too much to do before I die

CHORUS

(Feelin' all right) don't you get too lost, in all I say
 In a better time, you know I really felt that way
 But that was then and now you know it's today
 I can't get safe, so I guess I'm here to stay
 'Til someone comes along and takes my place
 With a different name, and a different face

Outro = "Feelin' alright" acapella > stop
