

FIRE AND RAIN

G (or capo 2 for A)

Just yesterday morning they let me know you were gone
 Susanne the plans they made put an end to you
 I walked out this morning and I wrote down this song
 I just can't remember who to send it to

Chorus

I've seen fire and I've seen rain
 I've seen sunny days that I thought would never end
 I've seen lonely times when I could not find a friend
 But I always thought that I'd see you again

2
 Won't you look down upon me, Jesus
 You've got to help me make a stand
 You've just got to see me through another day
 My body's aching and my time is at hand
 And I won't make it any other way

Chorus

3
 Been walking my mind to an easy time
 my back turned towards the sun
 Lord knows when the cold wind blows it'll turn your head around
 Well, there's hours of time on the telephone line
 to talk about things to come
 Sweet dreams and flying machines in pieces on the ground

Chorus

I've seen fire and I've seen rain
 I've seen sunny days that I thought would never end
 I've seen lonely times when I could not find a friend
 But I always thought that I'd see you, baby, one more time again, now
 Thought I'd see you one more time again
 There's just a few things coming my way this time around, now
 Thought I'd see you, thought I'd see you fire and rain, now
