Though the bird is on the wing	A
And you may not know why	G (G)

Chorus

Come on, people now	D
Smile on your brother	E
Everybody get together	A
Try to love one another right now	D E A

Some may come and some may go
 He will surely pass
 When the one that left us here
 Returns for us at last
 We are but a moment's sunlight
 Fading in the grass

Chorus X 2 > Solo on verse > Chorus > (quiet) Intro

If you hear the song I sing
 You will understand, listen
 You hold the key to love and fear
 All in your trembling hand
 Just one key unlocks them both
 It's there at your command
