Preacher man don't tell me

Heaven is under the earth

I know you don't know

What life is really worth

It's not all that glitters is gold

Half the story has never been told

So now you see the light, eh!

You stand up for your right Come on!

Some people think

Great God will come from the sky,

Take away everything

And make-a everybody feel high

But if you know what life is worth,

You will look for yours on earth

And now you see the light,

You stand up for your rights

We sick an' tired of your ism-skism game

Die and go to heaven in-a Jesus' name

We know when we understand

Almighty God is a living man

You can fool some people sometimes,

But you can't fool all the people all the time

So now we see the light (What you gonna do?)

We gonna stand up for our rights

Stand up for your right X 3
