

GREEN RIVER

E riff x x x 3 4 x

Well!

Take me back down where cool water flows, y'all E

Let me remember things I love, Lord

Stoppin' at the log where catfish bite

Walkin' along the river road at night C

Barefoot girls - dancin' in the moonlight A E

I can hear the bullfrog callin' me home E

Wonder if my rope's still hangin' to the tree

Love to kick my feet 'way down the shallow water

Shoo, fly, dragonfly, get back, you mother C

Pick up a flat rock; skip it across Green River A E

Well!

SOLO

Up at Cody's camp I spent my days, Lord E

With flat-car riders and cross-tie walkers

Old Cody Junior took me over

Said, "You're gonna find the world be smolderin' C

And if you get a-lost, come on home to Green River A E

Well!
