

HAPPY BIRTHDAY

A G F#m E D/e (try it reggae??)

You know it doesn't make much sense	A	
There ought to be a law against	G	
Anyone who takes offense	F#m	
At a day in your celebration	E D/e	
'Cause we all know in our minds	A	
That there ought to be a time	G	
That we can set aside	F#m	
To show just how much we love you	E D/e	
And I'm sure you would agree	D	
What could fit more perfectly	E	
Than to have a world party on the day you came to be		D E7

Chorus

Happy birthday to you Happy birthday to you Happy birthday X 2 **A A4**

I just never understood	A
How a man who died for good	G
Could not have a day that would	F#m
Be set aside for his recognition	E D/e
Because it should never be	A
Just because some cannot see	G
The dream as clear as he	F#m
that they should make it become an illusion	E D/e
And we all know everything	D
That he stood for time will bring	E
For in peace our hearts will sing	D
Thanks to Martin Luther King	E7

Chorus

Bridge

Why has there never been a holiday	Bm F#m
Where peace is celebrated	Bm
all throughout the world	F G A

The time is overdue	A	For people like me and you	G
Who know the way to truth	F#m	Is love and unity to all God's children	E D/e
It should never be a great event	A	And the whole day should be spent	G
In full remembrance	F#m	Of those who lived & died for the oneness of all people	E D/e
So let us all begin	D	We know that love can win	E
Let it out don't hold it in	D	Sing it loud as you can	E7

Chorus
