

HEY, THAT'S NO WAY TO SAY GOODBYE

G (capo2?)

I loved you in the morning G
our kisses deep and warm
Your hair upon the pillow Em
like a sleepy golden storm
Yes, many loved before us C
I know that we are not new
In city and in forest G
they smiled like me and you
But now it's come to distances Em
and both of us must try
Your eyes are soft with sorrow C
Hey, that's no way to say goodbye D G D

I'm not looking for another G
as I wander in my time
Walk me to the corner Em
our steps will always rhyme
You know my love goes with you C
as your love stays with me
It's just the way it changes G
like the shoreline and the sea
But let's not talk of love or chains Em
and things we can't untie - *h t n w t s g* Em C D G D
