

HIT THE ROAD JACK

Hinterhalt version Female voice Male voice **Em D C B X2**

Hit the road Jack and don't you come back
no more, no more, no more, no More.
Hit the road Jack and don't you come back no more.

What you say? REPEAT

Hit the road Jack and don't you come back
no more, no more, no more, no More.
Hit the road Jack and don't you come back no more.
Oh What you say!

Oh Woman, oh woman, don't treat me so mean,
You're the meanest old woman that I've ever seen.
I guess if you said so ~
I'd have to pack my things and go. (***That's right***)

CHORUS X 2

Now baby, listen baby, don't-a treat me this-a way
For I'll be back on my feet some day.
Don't care if you do 'Cause it's understood
You ain't got no morals you just ain't no good.
Well, I guess if you say so
I'd have to pack my things and go. (***That's right***)

CHORUS X 2

And don't you come back no more X 6
Last time both voices

Ad lib

You must be joking
What you trying to do to me?
Well can't we talk it over?
I thought we had a better understanding...
Oh baby don't be so chilly
You don't want to see me cry?
