*Intro Asus4 A Asus4 A F#m D E (couplets down)*

A A  
If I should stay  
A F#m D E  
I would only be in your way  
A A  
So I'll go, but I know  
A F#m F#m/e D E  
I'll think of you each step of the way

## **Chorus**

A F#m D E A  
And I, I will always love you I will always love you.

I will always love you I will always love you.

Bittersweet memories  
That's all I am taking with me  
Goodbye, please don't cry  
We both know that I'm not what you need

## **Chorus**

I hope life will treat you kind  
And I hope that you have all that you ever dreamed of  
And I wish you joy and happiness  
But above all of this I wish you love

## **Chorus**
