

**I'M A SON OF SUN**

In the valley of the shadows  
Where the sun don't shine  
I was born one cold, dark morning  
I was taught to walk the line

Each day I sold my labor  
My strength, I gave it to the man  
He didn't do me any favors  
I was a number in his plan

**CHORUS**

But that's all over now  
I sing a different song  
I found the way to spend my days  
I know where I went wrong  
When you hear the music calling  
You know what must be done  
Spend my life in clover  
'Cause I'm a son of sun -  
Yes I'm a son of sun

Yes, they tried to break my spirit  
Then they tried to put me down  
They can take a man's muscle  
Just till pay day comes around

Now if you like my story  
Then you'll know just what to do  
Sing along and stand beside me  
'Cause you can be one too  
(... 'son of a gun')
