

IF I WERE A CARPENTER E

Capo 2 D C G

Normal - E D A

If I were a carpenter
and you were a lady
Would you marry anyway
would you have my baby

If a tinker were my trade
would you still find me
Carrying the pots I made
following behind me

Save my love through loneliness
Save my love through sorrow
I gave you my onlyness
Come and give me your tomorrow

If I worked my hands in wood
would you still love me
Answer me dear yes I would
I would put you above me

If I were a miller
at a mill wheel grinding
Would you miss your collared boss
soft shoes a shining
