I'm gonna wait 'till the midnight hour
That's when my love come tumbling down
I'm gonna wait 'till the midnight hour
When there' no one else around
I'm gonna take you girl, and hold you
& do all things I told you, in the midnight hour **riff** (*midnight hour*)

Oh yes I will *D B7*

I'm gonna wait till the stars come out
And see that twinkle in your eyes
I'm gonna wait 'till the midnight hour (*midnight hour*)
That's when my love begins to shine
You're the only girl I know
Can really love me so, in the midnight hour **riff** (*midnight hour*)
Oh yeah, in the midnight hour
