Yes I know she love me, she tell the world I do  
Wonder why little woman, you take it like you do  
It's Alright, it's alright, it's alright

Yes, I'm leaving in the morning, I won't be back no more  
Want to tell you good woman, I really don't want to know  
It's Alright, it's alright, it's alright

If I told you, I told you  
I said you want me to go  
If you don't love me baby  
Why don't you tell me so  
It's Alright, it's alright, it's alright

Solo Piano

Yes, I'm leaving in the morning  
Packing up all my clothes  
Don't walk me to door little baby  
If you don't love me no more  
It's Alright, it's alright, it's alright

Solo Gtr

Bye bye baby, never see you no more  
You can tell everybody, I hate to see you go

It's Alright, it's alright, it's alright

It's Alright, it's alright, it's alright
