

LOVE SNEAKIN UP ON YOU

D – (blues)

Rainy night, I'm all alone D
Sitting here waiting for your voice on the phone D Bm C
Fever turns, to cold, cold sweat D
Thinking about things we ain't done yet D Bm C
Tell me now, I gotta know, do you feel the same? F#
Do you just light up at the mention of my name? A7

Chorus

Don't worry baby, it ain't nothing new D
That's just love sneakin up on you Bm7 C
And if your whole work is shaking, feel like I do D
That's just love sneakin up on you Bm7 C (D *two bars*)

Nowhere on earth for your heart to hide D
Once love comes sneakin up, on your blind side D Bm C
You might as well, try to stop the rain D
Stand in the track of a runaway train D Bm C
Just can't fight it, when a thing is meant to be F#
Come on let's finish, what you started with me A7
