

## MIDNIGHT BLUES

Intro Am X8 – Bass riff = a e g a c ~ a e g a

It's the darkest hour - of the darkest night Am  
It's a million miles - from the morning light Dm Am

### CHORUS

Can't get no sleep C E  
Don't know what to do Dm  
I've got those midnight blues. Dm~ F~ Am ////

2

When the shadows fall- I feel the night closing in Am  
There must be some reason - for this mood I'm getting in Dm Am

### CHORUS

#### Bridge

Every evening after sundown G  
as the light begins to fade. Am  
I feel so low, but I just don't know G  
why these blues won't go away. F E

#### Instrumental on verse and chorus

*(remember the extra Am X 3 that are equivalent to riff)*

#### Rpt Bridge – vocals return

3

It's the darkest hour - of the darkest night Am  
It's a million miles - to the morning light. Dm Am

#### Rpt Chorus

I've got those midnight blues Am  
I've got those midnight blues Dm Am  
I've got those midnight blues Dm Am  
I've got those midnight blues. (*retardo*) Dm~~~ Am
