

NO WOMAN NO CRY*Key = G intro d e f# d***Chorus**

No woman, no cry

G D/f# Em C

No woman, no cry

*G C G D**times 2*

1

Said I remember when we used to sit

In the government yard in Trench town

Observing the hypocrites

As they would mingle with the good people we meet

Good friends we had oh good friends we've lost

Along the way

In this bright future you can't forget your past

So dry your tears I say - and

No woman, no cry...No woman, no cry

Here Little darlin', don't shed no tears, No woman, no cry

2

Said I remember when we used to sit

In the government yard in Trenchtown

And then Georgie would make a firelight

The log wood burning through the night

Then we would cook cornmeal porridge

Of which I'll share with you.

My feet is my only carriage,

So, I've got to push on through, but while I'm gone

Bridge

Everything's gonna be alright. Everything's gonna be alright.

Everything's gonna be alright. Everything's gonna be alright.

So woman, no cry...No woman, no woman cry.

Woman Little sister, don't shed no tears, No woman, no cry.

Solo on verse X 4 > Repeat verse 2

No woman, no cry. No woman, no cry.

Oh, my Little darlin', don't shed no tears. No woman, no cry.

Oh, my Little darlin', don't shed no tears. No woman, no cry.

Here Little sister, don't shed no tears, No woman, no cry.
