

NUTBUSH CITY LIMITS

A C G

A church house, gin house
School house outhouse
On highway number nineteen
The people keep the city clean

[Chorus]
They call it Nutbush, oh Nutbush
They call it Nutbush city limits
Nutbush City

2
Twenty-five was the speed limit
Motorcycle not allowed in it
You go to store on Fridays
You go to church on Sundays

[Chorus]

[Verse 3]
You go to field on weekdays
And have a picnic on Labor Day
And go to town on Saturdays
And go to church on Sundays

[Chorus]
