

OLD TIME ROCK & ROLL E

Intro = piano riff

Just take those old records off the shelf
 I sit and listen to them by my self
 Todays music ain't got the same soul
 I like that old time rock and roll

Don't try to take me to a disco
 You can't even get me out on the floor
 In ten minutes I'll be late for the door
 Still like that old time rock and roll

CHORUS:

Barry voice B E A B

Just give me old time rock and roll
 That kind of music really soothes my soul
 I reminisce about the days of old
 With that old time rock and roll

Instrumental

Don't want to listen to a tango
 Just give me blues and some funky old soul
 There's only one sure way to get me to go
 Just give me old time rock and roll

Call me a relic call me what you will
 Say I'm old fashioned say I'm over the hill
 Today's music don't have the same soul
 Just give me old time rock and roll

Chorus**Instrumental**

Chorus repeats for ever.... 2nd time acapella
