

ONE MORE SHOT

Open D tuning - <https://www.youtube.com/watch?v=IA-kYvyeyeA>

Ooh, baby, I got a message for you
You got me doing something
I thought I never would do

Give me one more, one more shot
And it's all I got
Give you one more shot
And take me back
I'm all yours, Jack

Yeah, you got me freaking
Yeah, I'm over heating
Just when things are sweet
You kick me on the street

Give me one more, one more shot
Yeah, and it's all I got
And don't hang up on me
One more shot

I'll make your play
Yeah, make my day
Put me in correction for my own protection
In your jurisdiction, spare the crucifixion

Give me one more shot
Babe, it's all I got
Baby, don't freeze up on me
One More shot

[Bridge]

I love, I love, I love, I love, I love
I love, I love, I love, I love, I love
I love, I love, I love, I love

Na-na-na-na-na-na-na
