Never go back to Georgia baby  
 Never go Back

If you were to translate the song into English word for word it would be like follows: Hi how are you (oye como va) my rhythm (mi ritmo) is good for partying (bueno pa' gozar) my dark skinned female(mulata). Although nowadays mulata is just slang for hottie or a hot chick. So basically: Hey, my rythem/song is good for partying, my hottie.
