CAPO 2 in Bm for Ela

### Intro Gm9 Fm9

Am G F Dm - Am G Am13 - Am G F Dm - Am G Fm9

### Verse 1

You have your ways and I sure have mine  
 Doesn't mean to say we can't share lots of time  
 I don't want to change the way you are  
 But if you ask me what I want before we part.....

### Chorus

Am Fm9  
 All I want is a place in your heart  
 Am Fm9  
 Anything that makes me feel part  
 Am Fm9 Gm9 Am9  
 Of something that will get me through the day  
 Am Fm9  
 Keep a space for me there in your heart  
 Am Fm9  
 Enough to save mine from falling apart  
 Am Fm9 Gm9 Am9  
 That's all I ask if you can find a way

### 2

The smile that brought a thousand words from me  
 Or dancing 'cross the floor, you there that's all I see  
 Walking in the park or sitting close to you  
 Only one thing that I know for sure is true

### Chorus >Mid 8

C G Dm9  
 Don't ask me what I expect you to do  
 C G Fm9  
 My cards are on the table, the rest is up to you, up to you

### Chorus
