

PROBABLY ME

Em7

If the night turned cold And the stars looked down *Em7*
And you hug yourself On the cold, cold ground *Em7*
You wake the morning In a stranger's coat *Am7 Bm7*
No one would you see *Em7*
Ask yourself, 'Who'd watch for me?' *Am7 Bm7*
'My only friend, who could it be?' *Em7 A*
It's hard to say it I hate to say it But it's probably me *C B Em7*

When your belly's empty And the hunger's so real
And you're too proud to beg And too dumb to steal
You search the city For your only friend
No-one would you see You ask yourself, 'Who could it be?'
'A solitary voice to speak out and set me free'
I hate to say it I hate to say it But it's probably me

You're not the easiest person that I ever got to know
And it's hard for us both to let our feelings show
Some would say
I should let you go your way You'll only make me cry
But if there's one guy, just one guy
Who'd lay down his life for you and die
It's hard to say it I hate to say it But it's probably me

When the world's gone crazy, and it makes no sense
And there's only one voice that comes to your defence
And the jury's out And your eyes search the room
One friendly face is all you need to see
And if there's one guy, just one guy
Who'd lay down his life for you and die
It's hard to say it I hate to say it But it's probably me

It's hard to say it I hate to say it But it's probably me

It's hard to say it I hate to say it But it's probably me

It's hard to say it I hate to say it But it's probably me
