

# RAIN KING

E D A Bm A  
And I said mama, mama, mama, why am I so alone?  
D A  
I can't go outside  
Bm A  
I'm scared I might not make it home  
D A  
I'm alive, I'm alive  
Bm A  
But I'm sinking in  
D A  
If there's anyone at home at your place, darling  
Bm A  
Why don't you invite me in?  
Bm G  
Don't try to bleed me  
Bm G  
I've been there before  
D E  
And I deserve a little more

[Chorus]

A Bm D E A  
I belong in the service of the Queen  
A Bm D E A  
I belong anywhere but in between  
A Bm D E  
She's been lying and I've been sinking  
A Bm D E  
And I am the Rain King

[Bridge]

Bm D A  
Hey, I only want the same as anyone  
Bm D A Bm  
Henderson is waiting for the sun  
D A  
Oh, it seems night endlessly begins and ends  
Bm D A  
After all the dreaming I come home again

[Repeat]

D A Bm A 2x here

[Verse]

D A  
When I think of heaven  
Bm A D  
Deliver me in a black-winged bird  
A Bm  
I think of dying  
A D A

Lay me down in a field of flame and heather  
Bm            A                    D                    A  
Render up my body into the burning heart of God  
                 Bm                    A  
In the belly of a black-winged bird  
Bm        G  
Don't try to bleed me  
Bm            G  
I've been here before  
          D                    E  
And I deserve a little more

[Chorus]
