

RAINY DAY MAN

A Gj Cj Gj A A Gj Cj Gj A

What good is your happy lie
All you wanted from the start was to cry girl

Verse 1

It looks like another fall	Em Asus Dj
Your good friends they don't seem to help at all	Em Asus Dj
When you're feeling kind of cold and small	Em Asus Dj
Look up your rainy day man	Em Asus D

Verse 2

It does you no good to pretend child
You made a hole much too big to mend
And it looks like you lose again my friend
So look up your rainy day man

Bridge

Rainy day man don't like sunshine - Bm A Gj F#m
Don't chase no rainbows, he don't need no good times - Bm A Gj F#m
Gray days rolling then you'll see him - Bm A Gj F#m
I said empty feeling, now you need him - G F#m Em7 Asus

Verse 3

All those noble thoughts they don't belong
You can't hide the truth with a happy song
It since you knew where you stood all along
Just look up your rainy day man

Bridge

Simple pleasures they all evade you
Store bought treasures none can save - no
Look for signs to ease the pain
Ask again child and prey for rain and

Repeat 1

Time to come on home and look up our rainy day man
