

## ROCK AND ROLL MUSIC

**Key = A – intro is on E – tacit at end of each chorus**

Just let me hear some of that rock and roll music  
 Any old way you choose it  
 It's got a back beat, you can't lose it  
 Any old time you use it  
 It's gotta be rock roll music  
 If you wanna dance with me  
 If you wanna dance with me

I've got no kick against modern jazz  
 Unless they try to play it too darn fast  
 And lose the beauty of the melody  
 Until they sound just like a symphony

That's why I go for that that rock and roll music.....

I took my loved one over 'cross the tracks  
 So she can hear my man 'avail a sax  
 I must admit they have a rockin' band  
 Man, they were blowin' like a hurrican'

That's why I go for that that rock and roll music.....

Way down South they had a jubilee  
 The jokey folks they had a jamboree  
 They're drinkin' home brew from a water cup  
 The folks dancin' there are all shook up

And started playin' that that rock and roll music.....

MID 8

Don't care to hear 'em play a tango  
 And In The Mood they take a mambo  
 It's way to early for a congo  
 So keep a rockin' that piano
