

Rock'n Roll Medley 1 Intro: | C | G7 | C | C - |

Well I saw my baby walking, with another man today
Well I saw my baby walking, with another man today
When I asked her what's the matter
This is what I heard to say.

See you later alligator, after a while crocodile
See you later alligator, after a while crocodile
Can't you see you're in my way now
Don't you know you cramp my style ?

When I thought of what she told me
Nearly made me lose my head.
When I thought of what she told me
Nearly made me lose my head.
But the next time that I saw her
Reminded her of what she said.

See you later alligator, after a while crocodile
See you later alligator, after a while crocodile
Can't you see you're in my way now
Don't you know you cramp my style?

The warden threw a party in the County jail

The prison band was there and they began to wail
The band was jumpin' and the joint began to swing.
You should've heard those knocked out jail birds sing.

Was dancin' to the jailhouse Rock !

Little Joe was blowin' on the slide trombone
