

ROLLIN AND TUMBLIN

A (open G) riff 3x C

C/Bb Ariff C C/Bb Ariff D C /Bb Ariff

Bass riff = taxman X 3 then add four short notes (0.5 bar) to get the odd timing

Well, I rolled and I tumbled, cried the whole night long Well, I rolled and I tumbled, cried the whole night long Well, I woke up this mornin', didn't know right from wrong

Well, I 'm going down to Memphis, take on the right hand road
Well, I 'm going down to Memphis, take on the right hand road
Well, I ain't gonna stop walkin' till I get in that sweet mama's dough

Well, I fold my arms and I slowly walk away Well, I fold my arms and I slowly walk away I said that's alright baby, you're troubles gonna come some day

Solo 2x

Ahh, haha, owww, oww ooo, aww, oww, oh Aaa, mmm-hmmm, oww, oh oh oh owww, oww ooo, aww, oww, oh I said that's alright baby, you're troubles gonna come some day

I said goodbye baby, goodbye and fare the well I said goodbye baby, goodbye and fare the well Well now I'm leaving you this morning, ain't no crime to tell

Ending is 3 x riff but NO weird timing, end on – a c# e f# a'
