

SISTER ROSETTA C

Intro C

Strange things are happening everyday Cm G
 I hear the music up above my head C Fm
 Though the side of my heart has left me again Ab Cm
 I hear music up above G Cm

Secrets are written - in the sky Cm G
 Looks like I've lost the love I've never found C F
 Though the sound of hope has left me again Ab Cm
 I hear music up above G Cm

Bridge

Standing in my broken heart all night long C Em
 Darkness held me like a friend when love was lost Am F
 Looking for the land that's hidden in the cross C Em
 The finder is lost Am (F)
 I know I loved you too much Dm G C Am
 Ill go alone to get through Dm G C (Fm G7)

Instrumental on verse

I hear Rosetta singing in the night Cm G7
 Echoes of lighting shine like stars after there gone C Fm
 And tonight she's my guide as a girl on the moon Ab Cm
 With the music up above G7 Cm

Instrumental ??

G7 Cm

G7 Cm
