

SIX DAYS ON THE ROAD G

INTRO = G Bb G Bb G Bb G Bb

Well, I pulled out of Pittsburgh, G
 Rollin' down the Eastern Seaboard. D7
 I've got my diesel wound up,
 And she's running like never before. D7
 There's a speed zone ahead on the right, C D7
 I don't see a cop in sight. G C
 Six days on the road and I'm gonna make it home tonight G D G

I got ten forward gears,
 And a Georgia overdrive.
 I'm taking little white pills,
 And my eyes are open wide.
 I just passed a 'Jimmy' and a 'White':
 I've been passin' everything in sight.
 Six days on the road and I'm gonna make it home tonight.

Riff X 2

Well, it seems like a month,
 Since I kissed my baby good-bye.
 I could have a lot of men,
 But I don't want no other guy
 I could find one to hold me tight,
 But I could never make believe that that's alright.
 Six days on the road and I'm gonna make it home tonight.

Solo keyboard

I.C.C. is checking on down the line. Acapella
 I'm a little overweight and my log's three days behind. Acapella
 But nothing bothers me tonight.
 I can dodge all the scales all right,
 Six days on the road and I'm gonna make it home tonight.

Well my rig's a little old,
 But that don't mean she's slow.
 There's a flame from her stack,
 And the smoke's rolling black as coal.
 My hometown's coming in sight,
 If you think I'm happy your right.
 Six days on the road and I'm gonna make it home tonight.
 Six days on the road and I'm gonna make it home tonight.
 Six days on the road and I'm gonna make it home tonight.
