Light weight, too straight, no reaction

E5 C5 G5 D5

I don't care if I'm not in fashion

I will follow you, I will follow you

It's hearts up heads down puddle of red wine

You get back up and you face the climb

I will follow you

Something in me almost breaks A C5 - (4th & 5th str - 02 04 05 – 32 34 35)

But I wait

Em C G D

I'm sinking in my skin

And I wait

My heart is wearing thin

'Cause I'm looking for

Something beautiful

riff > break

You cut me up and you make me bleed

A sad stained heart hanging on my sleeve

I'll still follow you, I will follow you

But you say "look up look up look all around you

Can't you see the love that surrounds the

Very soul of you?"

Rpt Chorus 1

Chorus 2

And I pray

For it to come right in

There'll come a day

My heart is wearing thin

That I fall upon

Something beautiful

Something meaningful

interlude

You stick your soul out risk it all

Your fearless beauty breaks your fall

Something in me

Knows there's something more

And it's so close I wanna run

Repeat Chorus 1 & 2

Something beautiful - Something meaningful

Something beautiful - Something beautiful
